## **BEFORE you file for bankruptcy:**

You must complete a pre-filing credit counseling session.

- You may choose to call (866) 332-8435 to speak to a counselor. No appointment is necessary.
- Or, if you would prefer a shorter counseling session, you may enter your income and expense data online.

## **AFTER you file for bankruptcy:**

You must complete an approved pre-discharge debt or education course.

- You may choose to read a self-study book. This option requires a follow-up call to GreenPath.
- Or you may choose to complete an interactive online course. This option does not require a follow-up call.
