If you would like to add an additional account to your debt management program, we will need your written authorization to do so. We are no longer able to add medical bills, collection debts or pay day loans with a balance of less than \$500. If you reside in the states of Wisconsin, Florida and Texas you may add a pay day loan with a balance of less than \$500. New accounts will have at least a minimum monthly payment of \$15.00 through the DMP.

If you have a recent billing statement for the debt you wish to add, please return it to us along with this authorization. If you do not have one, please provide the requested account information below.

**Please add the following account to my Debt Management Program:**

Creditor Name:

Account Number:

Account Balance:

Payment Address:

Phone Number:

Please sign and date below to indicate you are authorizing the addition of this debt. Due to adding an additional creditor payment to your program, it may be necessary to increase your deposit. Please contact Greenpath to discuss if this is necessary.
